

Please join us for a frank conversation about challenges Black residents in Boston face when exploring cancer treatment options

The Center for Community Health Education Research and Service is conducting an assessment exploring barriers to cancer treatment faced by Black residents

- Do you know someone who has experienced challenges finding cancer treatment information or care?
- Do you have ideas about how to improve access to cancer treatment information and care?

If you are over 18 and live in Roxbury, Dorchester or Mattapan we invite you to share your story.

Your participation will be anonymous and you will receive a \$20 gift card for taking part in the group.

Information will be used to inform local cancer care equity programming.
